

What is Tailgate Tuesday?

ABC will go to 10 general contractor job sites, make and serve lunch for all of the employees on site, and give all of the field employees a 15-minute safety talk chosen by the general contractor. The total program will take 30 minutes so as not to hamper productivity. The ABC safety trailer will be there as well!

Sponsorship Opportunity

The sponsorship is \$500 and includes a display table during lunch; time to interact with employees; welcome to help with prep and serving; logo on signage banner; and recognition in our newsletters, marketing materials, and website safety page. Companies are welcome to solicit contact information in the form of giveaways and display company promotional materials.
