

ABC 2019 Safety & Construction Conference – Sponsorship Opportunities

Learn Safety. Learn Business. Learn Together.

Over 100 commercial contractors attend MN/ND ABC's Safety & Construction Conference each year. This year there will be two conferences instead of one!

Sponsors at this event gain access to a diverse crowd of potential customers, prime marketing opportunities and the ability to showcase your products and services.

The events will be held March 1st, 2019 (St. Cloud) and March 13th, 2019 (Mankato). Your sponsorship will be highlighted at both events.
