

Integrated Loss Control, Inc. (ILC) based in Shoreview Minnesota has been providing a wide range of quality loss control, health and safety, industrial hygiene services to diverse industries for almost 30 years. As you may know ILC has recently established a relationship with ABC MN/ND Chapter as a service partner.

Tom Kennedy, ABC education director said, "We want to continue to provide quality safety services to meet the needs of our members especially those growing in size, technology and sophistication. As a loss control, health and safety, industrial hygiene services firm, staffed by professionals with relevant education and hands-on experience spanning a combined total of 250+ years ILC is the perfect solution for our chapter".

ILC will provide ABC MN/ND members with important resources to support the needs of our contractor that will be very scalable. They will be a full-service partner with the ABC MN/ND contractors. One very important offering is being able to bring quality, personalized services to ABC MN/ND members in a wide range of services including:

- Health and Safety, OSHA Compliance/Violation Abatement- Health and Safety Programs including 3rd Party Review/Contractor Pre-qualifications, Emergency Action Plans, Respiratory Protection, Hearing Conservation, LO/TO, Confined Space, Powered Industrial Trucks-Forklifts Training
- Industrial Hygiene-Engineering Controls, IAQ, Noise Monitoring, Heat Stress Evaluations, Data Reviews
- Construction Safety-Jobsite Inspections, Site Safety Plans, Trenching and Excavation Safety
- Fleet Safety, DOT compliance-Program Development, DOT audit and Support, Manage MVRs

As a new member, ILC will be a trusted ABC MN/ND partner in providing world class safety programming and services working to deliver appropriate solutions.
