### SERVICES YOU CAN USE ONLY AS AN ABC MEMBER:

#### Customized Written Programs

If you need a written safety program, ABC's Safety Specialist can come to your office to discuss the specific needs of your company and help create your customized safety program and policies.

#### Job Site Inspections

ABC's Safety Specialist will inspect your construction sites for safety hazards and violations, write a detailed report on his findings, and consult with you on how to correct the problems.

#### OSHA Citations

ABC's Safety Specialist can assist you in settling OSHA disputes and citations as well as accompany you to meetings with MNOSHA.

#### On-Site Training/Safety Trailer

Over 1,000 ABC member company employees trained each year - ABC's safety team is available to train your employees and management staff on construction safety issues. ABC's safety training is designed for both new and experienced construction personnel alike.

#### STEP & Partnership

ABC's self-assessment of your safety program is exclusive to members only! Learn how to set goals by using STEP and enhance your safety culture.

ABC/MNOSHA Partnership is a joint effort in the interest of employee safety and also is exclusive to ABC members. Incentives from MNOSHA? You bet!
